

ANGUS S. KING, JR.
GOVERNOR

STATE OF MAINE
MAINE FIRE PROTECTION SERVICES COMMISSION
52 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0052

The Maine Fire Protection Services Commission is pleased to submit its initial report to the Governor and the Maine Legislature. The Fire Commission was established to monitor and evaluate the State's fire protection services system on a continuing basis and to provide recommendations to the appropriate state agencies and to the Legislature regarding necessary changes in the fire protection services system. The Legislature charged the Fire Commission with specific duties and we focused on these duties during the first year. The Fire Commission established subcommittees to address the issues and develop goals. The Fire Commission report will detail the activities and issues addressed in 2001 as well as future projects.

The Maine Fire Protection Services Commission will be available to discuss the report.

Respectfully,

A handwritten signature in black ink that reads "Bill O'Gara".
